

St. Michael the Archangel Prayer Campaign for the Conversion of Abortionists

On the Feast of St. Michael the Archangel, September 29, 2008, Human Life International launched an international campaign to promote praying the St. Michael prayer after every Mass. This is a grassroots campaign designed to encourage the laity to pray for St. Michael's intercession for the conversion of abortionists. It is also a call to priests and bishops to include the St. Michael prayer after the final blessing at all Masses. The fight against the *culture of death* is primarily a spiritual battle, and Human Life International knows that with the aid of St. Michael, abortionists around the world will convert from their cooperation with evil.

Human Life International has produced St. Michael prayer cards in five languages: English, Spanish, French, Italian, and Portuguese. You can find the text of the prayer in 19 different languages at: www.hli.org/st_michael_prayer.html. Help us spread the word and pray souls away from the evil of abortion!

Please sign the *pledge of support* and send it to Human Life International at the address listed. Please also send copies of the *pledge of support* to parishes to be inserted in the weekly bulletin. The *pledge of support* can also be found online at: www.hli.org/st_michael_prayer.html.
