

Kenya Stopped Sex-Ed After You Exposed its Anti-Life Agenda.

The United Nations tricked African leaders. Thanks to you, Kenya exited the agreement.

“We’ll make your citizens healthy.”

“We can stop the HIV epidemic in your country.”

“This sex-ed program will provide an AIDS free future!”

These lies propelled Planned Parenthood’s sex-ed program into 21 African countries.

For 10 years, innocent kids have learned that abortion,

Your missionaries urged Kenyan leaders to reject Planned Parenthood’s deadly sex education.

Dear Friends in Christ,

Are you doing anything special for Respect Life Month?

Catholics in the U.S. spend October praying for the end of abortion. We must encourage moms to choose life through prayer and action!

But guess what? You’re doing this all year long! Whenever you give to this mission, you’re investing in a Culture of Life.

Fr. Shenan J. Boquet
President

Through your generosity, you’re inspiring men and women to live chastely, embrace marriage, and be open to life. In this environment, abortion is unthinkable.

Thank you for your ongoing support and generosity.

Please continue praying for me and this mission. Be assured of my prayers for you as well.

Yours in Christ and Our Lady,

Father Shenan J. Boquet

For a decade, donors like you have fought against sex-ed programs in schools. You're on the front lines, alerting African leaders that their future is at stake!

contraception, and homosexual unions are healthy and good.

Thanks to you, African nations are waking up. You inspired Kenya to stop perverse sex-ed!

UNITED NATION AGENCIES DECEIVED AFRICAN LEADERS. 21 NATIONS ADOPTED PERVERSE SEX-ED.

In 2013, UN agencies tricked 21 African countries.

Partnering with International Planned Parenthood, the UN decided to destroy Africa's pro-family values.

Promising a happy, healthy, HIV-free future, **UN agencies conned leaders into an international agreement.** 21 countries agreed to use Planned Parenthood's program in schools.

UN agencies didn't tell the truth. Sex-ed supports casual sex. Casual sex increases STDs, abortion, and contraceptive use.

African leaders wanted healthy countries.

Because of you, African leaders are removing unchaste education from schools.

Instead, they got a decade of death, sin, and disease.

SINCE 2013, YOU'VE FOUGHT THIS ANTI-LIFE AGENDA

For a decade, you've fought against sex-ed programs in schools. You've been on the front lines, alerting African leaders that their future is at stake!

Missionaries also hosted townhall meetings for local leaders, informing the public about the threats to their kids.

You also helped leaders spot anti-life lies. Your missionaries know all the tricks. Phrases like "reproductive health" really mean abortion, contraception, and sterilization.

Because of you, members of Parliament realized the danger. Your missionaries urged them to reconsider the international agreement.

KENYA QUIT TEACHING SEX-ED. YOU CAN KEEP THE MOMENTUM GOING!

After 10 years, your hard work is finally paying off!

This past May, Kenya left the international accord. Kenyan kids are free from Planned Parenthood's agenda in the classroom!

You inspired Kenya to exit the UN's sex-education agreement. Thanks to you, leaders realized mandated, sinful sex-ed threatened lives and souls.

And this is just the beginning. **With your ongoing support, we can get sex-ed out of the other 20 countries!**

Now that Kenya has dropped out, other countries will likely follow. But for this to happen, leaders must hear the truth. Your ongoing generosity makes this possible.

Thank you for protecting Kenyan children from grave sins in school.

In Her Darkest Moments, You Gave Rosa Hope for the Future!

Your home for abused teen moms empowered Rosa to take care of her son.

Rosa was crumpled up in her bed, squeezing back hot tears.

The young teen girl could act fine during the day, but nighttime was the hardest.

As Rosa lay there, holding together all her hurt, she felt her preborn baby gently kick.

“It’s going to be alright,” she thought. “I can keep going for his sake. I know loving people care about us. They’ll help us get through this together.”

Thanks to you, Rosa had a loving community to support her through cosmetology school. You helped her see that she has what it takes to be a mom.

AFTER ESCAPING ABUSE, ROSA SOUGHT REFUGE AT YOUR MISSION

Rosa was only 14 when she showed up on HLI Panama’s doorstep, pregnant and alone.

Authorities had recently rescued her from her abusive family. The young teenager had nowhere else to go. Rosa desperately needed physical and spiritual help.

Her son’s life was in danger too. Most people think rape justifies abortion. **Because Rosa’s son was conceived in incest, he was a target for the abortion peddlers.**

Thankfully, Rosa found you. Somebody else might have recommended abortion. But you showed her that abortion is another deadly violation of a woman’s body—killing her child and causing lifelong trauma.

Because of your compassion, Rosa healed from abuse and joyfully welcomed her son.

YOUR HOME HELPS SEXUALLY ABUSED GIRLS CHOOSE LIFE AND RECOVER FROM TRAUMA

Generous people like you have been helping teen moms in Panama for 30 years. Your missionaries run a home for girls in Rosa’s situation. **You’re helping pregnant, sexually abused girls prepare for motherhood, serving both mother and child.**

At your mission, girls receive emotional support. Many require psychological aid to heal from abuse. Your missionaries are equipped to help them recover.

You’re also helping these girls prepare for jobs. Missionaries train them in a variety of skills, preparing teens to financially support their children.

THANK YOU FOR RESCUING MOMS FROM THE TRAUMA OF ABUSE AND ABORTION

Thank you for providing hope for moms like Rosa.

Often, when girls become pregnant through sexual abuse, they're pressured to get abortions. Tragically, some involved in the pro-life moment believe rape and incest justify abortion. But there is never a justification for abortion.

That's why your home for girls is so important.

When sexually abused moms know that there's hope, they're more likely to choose life. You're giving moms a safe place to find healing. And you're protecting her child's life as well.

You helped Rosa recover from abuse and choose life for her son!

You helped Rosa win a scholarship to become a professional stylist. Thank you for empowering her to care for her son!

Most importantly, you're helping these moms spiritually. **Because of you, girls learn how to pray and find healing in the love of God the Father.**

BECAUSE OF YOU, ROSA WON A SCHOLARSHIP AND IS SUPPORTING HER YOUNG SON!

When Rosa arrived at your home for girls, missionaries welcomed her with open arms. Along with other moms, she began to heal from her traumatic experience.

Thanks to you, Rosa started taking classes in different life skills. **You helped her win a scholarship, so she could attend cosmetology school!**

Today, Rosa is working as a professional beauty stylist. You empowered her to earn an income and support her 2-year-old son.

You Helped this Malawian Couple Embrace God's Plan for Marriage and Choose Life!

Mwayi and Fachi bought an abortion pill. Your missionary showed up just in time.

Hours later would've been too late.

The delivery boy was already on his way.

Mwayi had ordered an abortion pill from the local pharmacy. She was just waiting for it to arrive. Driven by desperation, this young woman thought the deadly pill was an easy solution.

Thank goodness you sent help in time.

MWAYI AND FACHI DIDN'T FEEL READY FOR KIDS. ABORTION SEEMED LIKE THE BEST OPTION.

Mwayi and Fachi had been dating for three years. Unfortunately, they didn't understand God's plan for human sexuality and marriage. So, they made sinful mistakes.

When Mwayi discovered she was pregnant, she panicked. She and Fachi weren't ready to have kids! Fachi needed to focus on his career. And she was almost finished with school! Just a few more months, and she'd graduate.

In Malawi, having a child outside of marriage is shameful. The other students gave Mwayi a hard time. And when she tried to move back home, her parents kicked her out. No daughter of theirs should be pregnant out of wedlock!

After two months of pregnancy, Mwayi couldn't handle it anymore. She thought ending her child's life was the only way.

YOU SENT HELP THE VERY DAY MWAYI PLANNED TO GET AN ABORTION

Thankfully, you sent help in the nick of time.

Your missionary heard about the couple's decision. He decided to visit them. Maybe they'd choose life if people like you helped them.

Miraculously, he visited Mwayi and Fachi the very day they planned to get an abortion. When the pill arrived, the young couple agreed to wait. First, they'd listen to what your missionary had to say.

Thanks to your intervention, Mwayi and Fachi

agreed to reconsider abortion.

BECAUSE OF YOU, FACHI AND MWAYI EMBRACED THE JOY OF FAMILY LIFE

You helped Fachi embrace fatherhood. Your missionary explained that Fachi needed to take responsibility for his actions. A small child depended on him.

You also helped Fachi understand God's beautiful plan for human sexuality and marriage. He needed to help protect Mwayi, physically and spiritually. Casual sex wasn't love. They needed to live chastely.

You taught Mwayi and Fachi the dignity of human life. Thanks to you, this couple embraced God's plan for marriage!

It was harder to reach Mwayi. At first, she didn't want to listen to your message. Gently and patiently, your missionary guided her towards truth. Motherhood is a beautiful gift! This child was a special blessing. She didn't need to be afraid of choosing life.

You also helped Mwayi understand the dangers of abortion. It would kill her child. And it could seriously injure her as well.

Because of you, Mwayi and Fachi chose life for their child. Now, they're also planning their wedding!

THANK YOU FOR HELPING COUPLES DESIRE CHASTE MARRIAGE AND CHILDREN!

You're helping couples like Mwayi and Fachi embrace God's plan by respecting life and living chastely.

Because of you, young men and women accept God's beautiful plan for families. They remain chaste and welcome children once they're married.

You're also helping struggling families walk away from abortion. Their children are all blessings! And compassionate pro-lifers want to help.

Thank you for your ongoing generosity towards couples like Mwayi and Fachi.

THANK YOU for making change possible!

Every story you read in Mission Report is a snapshot of your impact. Your gifts are saving lives and souls all over the world. None of this amazing work would be possible without you.

Thank you for building a pro-life world. Please pray for the mission. I'll be praying for you.
