Independent Auditor's Report

To the Board of Directors of Human Life International, Inc. and HLI Endowment, Inc.

We have audited the accompanying consolidated financial statements of Human Life International, Inc. (a nonprofit organization) and HLI Endowment, Inc. (a nonprofit organization), which comprise the consolidated statements of financial position as of September 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Human Life International, Inc. and HLI Endowment as of September 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Human Life International, Inc. and HLI Endowment and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Life International, Inc. and HLI Endowment's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures in
 the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Human Life International, Inc. and HLI Endowment's internal
 control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the
 consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Life International, Inc. and HLI Endowment's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Nature of the Organization

Human Life International, Inc. (HLI) was organized in 1981 as a nonprofit corporation under the laws of the District of Columbia. The primary purpose of HLI is to receive, administer and expend funds for religious, charitable and educational purposes in connection with the rights of persons born and unborn.

HLI Endowment, Inc. (HLI Endowment) was formed in 1991 and is the legal instrument through which HLI holds its land, buildings and building improvements. The specific and exclusive purpose of HLI Endowment is to hold title to the real property, to collect income from that property and to remit such income, less expenses, to HLI.

Consolidated Financial Statements

The consolidated financial statements are those of the Organization and its wholly owned subsidiary, HLI Endowment, Inc., collectively, "the Organization."

Basis of Accounting

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors.

Net Assets Without Donor Restrictions

Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for reserves related to the annuities' obligation.

Net Assets With Donor Restrictions

Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS September 30, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted gifts in the accompanying consolidated financial statements.

Contributions of property and equipment or cash restricted to acquisition of property and equipment are reported as net assets with donor restrictions if the donor has restricted the use of the property or equipment to a particular program. If donors specify a length of time over which the property or equipment must be used, the restrictions expire evenly over the required period. Absent that type of restriction for use, the Organization considers the restriction met when the assets are placed in service.

Use of Estimates

Management uses estimates and assumptions in preparing the consolidated financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. On an ongoing basis, management evaluates the estimates and assumptions based on new information. Management believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.

Income Tax Status

Human Life International, Inc. is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, Human Life International, Inc. qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

HLI Endowment, Inc. is exempt from Federal income tax under Section 501(c)(2) of the Internal Revenue Code, which exempts the Corporation organized for the exclusive purpose of holding title to property, collecting income therefrom, and turning over the entire amount thereof, less expenses, to Human Life International, Inc.

Cash and Cash Equivalents

For purposes of the Consolidated Statements of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS September 30, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Receivables

Receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollected amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the receivable. At September 30, 2022 and 2021, management believes that outstanding balances are fully collectible, and there is no valuation allowance.

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional and when the collectability of a bequest is reasonably assured. Both promises to give and bequests receivable are reported at net realizable value at the time the promise is made.

Inventory

Inventories are stated at the lower of cost or net realizable value. Cost is determined by the first-in, first-out method. When evidence exists that the net realizable value of inventory is lower than its cost, the difference is recognized as a loss in the Consolidated Statement of Activities in the period in which it occurs.

Inventory consists of publications, CDs and DVDs. The inventory includes literature that is donated by the Organization to others. The reserve for obsolete inventory as of the years ended September 30, 2022 and 2021 was \$36,661 and \$24,201, respectively.

Property and Equipment

Acquisitions of property and equipment in excess of \$1,000, and expenditures for repairs, maintenance, renewals and betterments that materially prolong the useful lives of assets, are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

When property and equipment are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the activities for the respective period.

Deferred Revenue

Deferred revenue represents rent payments received for the next fiscal year.

Donated Property and Services

Donated property is recorded as revenue and expenses at their estimated fair value at the date of donation.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS September 30, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

No amounts have been reflected in the consolidated financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Consolidated Statements of Activities and in the Consolidated Statements of Functional Expenses.

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function, but provide for the overall support and direction of the Organization.

Advertising

The Organization expenses all advertising costs as incurred. The Organization incurred \$45,090 and \$19,802 in advertising expense for the years ended September 30, 2022 and 2021, respectively.

Revenue Recognition

The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met.

The Organization also recognizes revenue from leasing contracts. The revenue is recognized based on the applicable time period for the rental usage.

Reclassification

Certain reclassification of amounts previously reported may have been made to the accompanying financial statements to maintain consistency between periods presented. Any reclassifications had no impact on previously reported net assets.

2. LIQUIDITY AND AVAILABILITY:

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the financial position date, comprise the following:

| | Septeml | ber 30, | | | |
|---|-----------------|---------|-------------|--|--|
| | 2022 | 2021 | | | |
| Total financial assets | \$ 3 076 428 | \$ | 3 841 294 | | |

| Financial assets available to meet cash needs for | | | | | |
| general expenditures within one year | \$ 367 521 | \$ | 431 290 | | |

Any deficit between the financial assets available for general expenditure and the Organization's budgeted expenses for the following year is expected to be satisfied through program revenues, contributions, fees and special event revenues to be received throughout the year.

3. CASH CONCENTRATIONS:

The Organization maintains its cash accounts at financial institutions in Virginia, which are insured by the FDIC up to \$250,000 per institution. As of the years ended September 30, 2022 and 2021, the cash balances did not exceed FDIC coverage.

4. INVESTMENTS:

The portfolio of investments is carried at fair market value using a level one measurement. For donated investments, cost is determined to be fair market value at the date of gift.

The primary investment financial objective of the Organization is to preserve the funds' capital (adjusted for inflation). The secondary investment financial objective is to optimize investment earnings.

5. RETIREMENT PLAN:

The Organization has a 401(k) profit-sharing plan covering all eligible employees. Employees may participate in employer discretionary contributions once they have reached age 21 and completed 12 months of service. Participants are 100% vested in employee contributions, and a vesting schedule applies to employer contributions. The plan provides for discretionary annual employer contributions. The Organization did not make any contributions for the years ended September 30, 2022 and 2021.

6. PROMISES TO GIVE:

Unconditional promises to give consist of the following:

Depreciation expense was \$197,934 and \$189,792 for the years ended September 30, 2022 and 2021, respectively.

8. SPLIT-INTEREST AGREEMENTS:

The Organization established a charitable gift annuity program in which donors make irrevocable gifts and receive an annuity payment for their lifetime, their named beneficiary's lifetime, or jointly. The payments to the individuals are based on rates suggested by the American Council on Gift Annuities, and the lifetime annuity obligations are determined by State Street Global Advisors using the Annuity 2000 CM table with an assumed rate of interest ranging from 4.4% to 9.7%. The differences between the fair value of the assets transferred by the donor and the lifetime annuity obligation (that is, the gift portions) are recognized as contributions when received. The obligation to make payments to the annuitants is a general liability of the Organization. On an annual basis, the Organization re-measures the estimated fair market value of the annuities payable based on applicable mortality tables. Any adjustments to the fair market value are reported as a change in value of split-interest agreements.

8. SPLIT-INTERST AGREEMENTS: (Continued)

Annuities payable as of the years ended September 30, 2022 and 2021 are summarized as follows:

LEASES:

The Organization leases office space to tenants under non-cancelable operating leases with terms of one to three years. The following is a schedule by years of future minimum rentals to be received under the leases at September 30, 2022:

| | \$ 277 301 |
|--------------------------|---------------|
| 2026 | 20 930 |
| 2025 | 25 116 |

| Year Ending September 30 | |

A tenant with annual rents in excess of \$130,000 did not renew their lease ending August of 2023.

10. CAPITAL LEASE:

The Organization began leasing computer equipment under a capital lease during fiscal year 2018. The economic substance of the lease is that the Organization is financing the acquisition of the asset through the lease, and accordingly, it is recorded in the Organization's assets and liabilities.

11. NET ASSETS WITH AND WITHOUT DONOR RESTRICTIONS:

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donor.

12. ENDOWMENT FUND:

The Organization's Net Assets consists of funds designated by the Board of Directors to function as an Endowment. As of September 30, 2022 and 2021, the Board of Directors has designated \$1,012,054 and \$1,185,340 of net assets without restrictions as an Endowment fund to support the mission of the organization. Since the amount is resulted from an internal designation and is not donor-restricted, it is classified and reported as unrestricted net assets.

Though the Endowment fund was launched during the last month of the fiscal year ended September 30, 2021, the Organization is still in the process of developing its investment policies to provide guidelines

12. ENDOWMENT FUND:(Continued)

The spending policy of the Endowment fund defines how much can be distributed annually to the Organization. The distributions are based on the total return concept (i.e. interest, dividends, and capital appreciation). The Board may, at its discretion, reinvest all or any portion of income received in the for the investment of Endowment Funds it holds. The investment policies document will outline an overall philosophy that sets forth the expectations of the Endowment funds.

Endowment fund, use all or any portion of the income received from the principal in the Endowment fund for any purpose consistent with the purpose of the Endowment fund as stated in the Board resolution document.

Endowment net assets composition by type of fund as of September 30, 2022 is as follows:

| | | Septem | ber 3 | 0, |
|----------------------------------|----|-----------|-------|-----------|
| | - | 2022 | | 2021 |

| Exchange trade products | | 61 683 | | 15 887 |
| Board-designated Endowment funds | \$ | 1 012 054 | \$ | 1 185 340 |

The value of \$1,012,054 at the end of the fiscal year, September 30, 2022, reflects a net depreciation of \$173,286.

13. FAIR VALUE MEASUREMENTS:

FASB ASC 820-10 regarding fair value measurements clarifies the definition of fair value for financial reporting and establishes three-tier hierarchy as a framework for measuring fair value, which requires an entity to give the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements) when measuring fair value. The standard also requires additional disclosure about the use of fair value measurements.

Fair value is defined as the price to sell an asset or transfer a liability between market participants as of the measurement date. The three levels of the fair value hierarchy under this standard are as follows:

- Level 1 Inputs are unadjusted quoted prices for identical instruments in active markets.
- Level 2 Inputs are inputs other than quoted prices included within Level 1 that are directly or
 indirectly observable, such as quoted prices for similar instruments in active markets, or quoted
 prices for identical or similar instruments in inactive markets.
- Level 3 Inputs are unobservable inputs in which little or no market data exists, therefore
 requiring an entity to develop its own assumptions, such as valuations derived from techniques
 in which one or more significant value drivers are observable.

14. RELATED PARTY:

The Organization rents office space to a member of the board of directors. Total rents due to be collected during the years ended September 30, 2022 and 2021 were \$6,732 and \$6,732, respectively. Also, there was a related receivable balance for delinquent rent of \$39,253 as of September 30, 2021.

On September 3, 2021, HLI revised the terms of its lease agreement with the board member's business entity. Beginning January 1, 2021, the tenant/board member agreed to an annual rent of \$6,732 to be paid to HLI in equal installments of \$561 on the 15th of each month during the term of the lease agreement. As of November 15, 2021, the tenant was still delinquent in the payment of rent, including late fees as applicable, in the amount of \$42,058. The past-due rent was converted to a note receivable, with interest accruing at 2% per annum from November 15, 2015 in equal consecutive monthly installments of \$639 due and payable on the first weekday of each month beginning November 15, 2021 and continuing until October 15, 2026, or until the delinquent rent and all interest thereon is paid in full, whichever occurs first.

The following is a schedule by years of future minimum payments to be received under the note receivable at September 30, 2022:

| Year Ended September 30, | |
|--------------------------|-----------|
| 2022 | 7 668 |
| 2023 | 7 668 |
| 2024 | 7 668 |
| 2025 | 7 668 |
| 2026 | 6 885 |
| Total | \$ 37 557 |

Due to the rents continuing to fall behind during the fiscal year ended September 30, 2022, subsequent to the Statement of Financial Position date, the board has decided not to renew the lease with the board member when it expires on December 31, 2023.

15. AFFILIATES:

The Organization has established affiliate relationships with organizations and/or individuals located in various foreign countries. These relationships are supported by an Affiliate Agreement that, among other things, indicates that the affiliates are an independent organization in their host country. As such, the consolidated financial statements do not reflect the consolidated activity of these affiliates, including any assets or liabilities related to these affiliates. Instead, all of the funding sent to these affiliates is reflected as a program grant expense on the Consolidated Statements of Functional Expenses. For the years ended September 30, 2022 and 2021, the Organization awarded grants of \$527,542 and \$440,352, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS September 30, 2022 and 2021

16. PAYROLL PROTECTION LOAN:

On May 4, 2020, the Organization executed a loan agreement in the amount of \$181,000 pursuant to the Paycheck Protection Program ("PPP"). On January 8, 2021, the Organization received notice of forgiveness in full of the PPP loan in the amount of \$181,000, reflected in the Consolidated Statement of Activities for the fiscal year end September 30, 2021.

On February 24, 2021, the Organization executed a second loan agreement in the amount of \$203,100 pursuant to the Paycheck Protection Program ("PPP-2"). The loan is reflected as "SBA Loan Payable" on the Statement of Financial Position at September 30, 2021. On June 25, 2022, the Organization receive notice of forgiveness in full of PPP-2 in the amount of \$203,100. PPP was established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") and was administered through the Small Business Administration ("SBA") and local banks. It provided for unsecured loans to qualifying businesses for amounts up to two and a half times the average monthly payroll expenses of the business. The loans and accrued interest were forgivable after a covered period of either eight or 24 weeks, as long as the borrower used the loan proceeds for eligible expenses including payroll, benefits, rent and utilities, and maintained its payroll levels. The amount of loan forgiveness may have been reduced if the borrower terminated employees or reduced salaries during the 8- or 24-week period. Any unforgiven portion of the PPP loan would have been payable over two years, or five if mutually agreed upon with the lender, at an interest rate of 1%, with a deferral of payments until the lender receives the forgiveness amount from the SBA.

17. SUBSEQUENT EVENTS:

In October, 2022, the Organization received \$365,067 in Employee Retention Credit (ERC) funds, plus interest. The ERC, which was created by the Coronavirus Aid, Relief and Economic Security Act (CARES Act), was designed to aid organizations that kept employees on payroll through a credit on qualifying wages. To be eligible, an organization must either meet the required drop in revenue, or have been subject to a full or partial government shutdown of its operations. Unlike with the Payroll Protection Program referenced in footnote 15, the ERC program has no advance approval process. An organization simply applies for the credit(s) by filing amended payroll forms 941. HLI filed amended form 941s and received the credit(s) based on the latter, government shutdown option, as it did not meet the drop in revenue requirements.

As of this report's release date, the Organization has consulted with an attorney to look into the matter, and the preliminary indication reflects an opinion that could not confirm that the Organization qualified for the credits received. As a result, the Organization will continue to explore what options it has, including the yet to be developed IRS' "Settlement Program", whereby an organization can self-report the non-compliance and enter into a repayment agreement. The Settlement Program is expected to have reduced or eliminated penalties for the voluntary participant.

As of the report release date, it appears more likely than not that the Organization did not qualify for the ERC funds. Thus, no receivable or revenue has been recognized in the financial statements, as would otherwise be the case. It is expected that, for the fiscal year ending September 30, 2023, the funds received will be reflected as a "Refundable Advance" on the Statement of Financial Position (a liability), and will remain until the matter is resolved. Management has evaluated subsequent events through the date which the consolidated financial statements were available to be issued.
